

House of Attuendo

About Attuendo Medicals

The overall healthcare system in most Asian countries is relatively poorer than countries in Europe and North America. However, India is known for producing the best minds in international medicine and science generally. At 'Attuendo Medicals Limited', our goal is to deliver world class medical facilities easily accessible for new and existing medical centres or hospitals. Our products are made at certified facilities across India, Malaysia, Vietnam, China and Turkey. They are supplied all over the world with our standing rated as one of the trusted names in the field of medical supplies.

EVERYTHING ABOUT OUR GENERAL SUPPLIES

Our extensive General Supplies products have one thing in common. They are all made keeping in mind all standards of quality and finesse, while also ensuring that you get the most affordable price tag. We strongly believe in the importance of increasing accessibility of healthcare to people from all walks of life.

Attuendo Medical Limited, the well established exporters of various ranges of hospital/medical equipment, supply Surgical Gowns, Gloves, Face Masks, Caps, Gloves, Petri Dishes and many more in the range of Disposable General Surgery Products. Our disposable items are produced under hygienic conditions and Our highly experienced professionals ensure that each item passes through stringent quality checks before being delivered. They meet the international quality standards. Thus they are widely supplied to hospitals & other healthcare facilities worldwide.
